About Upstart

Upstart (NASDAQ: UPST) is the leading AI lending marketplace, connecting millions of consumers to more than 100 banks and credit unions that leverage Upstart's AI models and cloud applications to deliver superior credit products. With Upstart AI, lenders can approve more borrowers at lower rates while delivering the exceptional digital-first experience customers demand. More than 90% of loans are fully automated, with no human intervention by Upstart. Founded in 2012, Upstart's platform includes personal loans, automotive retail and refinance loans, home equity lines of credit, and Upstart's upcoming Cash Line product, a revolving line of credit. Upstart is based in San Mateo, California.
