Indicate by check mark whether the registrant is an emerging growth company as defined in Rule 405 of the Securities Act of 1933 (§230.405 of this chapter) or Rule 12b-2 of the Securities Exchange Act of 1934 (§240.12b-2 of this chapter).

Emerging growth company

If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act.

Item 2.02 Results of Operations and Financial Condition.

On November 7, 2023, Upstart Holdings, Inc. (“Upstart”) reported financial results for the fiscal quarter ended September 30, 2023. A copy of the press release is attached as Exhibit 99.1 to this report and is incorporated by reference herein.

The information contained in this Current Report on Form 8-K, including Exhibit 99.1 attached hereto, is furnished and shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section. The information shall not be deemed incorporated by reference into any other filing with the Securities and Exchange Commission made by Upstart regardless of any general incorporation language in such filing, except as shall be expressly set forth by specific reference in such filing.

Upstart is making reference to non-GAAP financial information in both the press release and the conference call. A reconciliation of these non-GAAP financial measures to the comparable GAAP financial measures is contained in the attached press release.

Item 9.01 Financial Statements and Exhibits.

Upstart Announces Third Quarter 2023 Results

SAN MATEO, Calif. – November 7, 2023 – Upstart Holdings, Inc. (NASDAQ: UPST), the leading artificial intelligence (AI) lending marketplace, today announced financial results for its third quarter of fiscal year 2023 ended September 30, 2023. Upstart will host a conference call and webcast at 1:30 p.m. Pacific Time today. An earnings presentation and link to the webcast are available at ir.upstart.com.

“We’re making rapid progress in building the world’s first and best AI lending platform,” said Dave Girouard, co-founder and CEO of Upstart. “Of course we’d prefer to be growing quickly, but this is a time when it’s wise to be operating in a conservative mode. We were EBITDA positive for the second straight quarter, our contribution margins are still near record highs, and we continue to invest in our teams and core AI.”

Third Quarter 2023 Financial Highlights

- **Revenue.** Total revenue was \$135 million, a decrease of 14% from the third quarter of 2022. Total fee revenue was \$147 million, a decrease of 18% year-over-year.
- **Transaction Volume and Conversion Rate.** Lending partners originated 114,464 loans, totaling \$1.2 billion across our platform in the third quarter of 2023, down 34% from the same quarter of the prior year. Conversion on rate requests was 9.5% in the third quarter of 2023, down from 9.7% in the same quarter of the prior year.
- **Income (Loss) from Operations.** Income (loss) from operations was \$(43.8) million, up from \$(58.1) million in the same quarter of the prior year.
- **Net Income (Loss) and EPS.** GAAP net income (loss) was \$(40.3) million, up from \$(56.2) million in the third quarter of the prior year. Adjusted net income (loss) was \$(3.9) million, up from \$(19.3) million in the same quarter of the prior year. Accordingly, GAAP diluted earnings per share was \$(0.48), and diluted adjusted earnings per share was \$(0.05) based on the weighted-average common shares outstanding during the quarter.
- **Contribution Profit.** Contribution profit was \$94.2 million in the third quarter of 2023, down 2% year-over-year, with a contribution margin of 64% compared to a 54% contribution margin in the same quarter of the prior year.

- **Adjusted EBITDA.** Adjusted EBITDA was \$2.3 million, up from \$(14.4) million in the same quarter of the prior year. The third quarter 2023 adjusted EBITDA margin was 2% of total revenue, up from (9)% in the same quarter of the prior year.

Financial Outlook

For the fourth quarter of 2023, Upstart expects:

- **Revenue** of approximately \$135 million
 - **Revenue From Fees** of approximately \$150 million
 - **Net Interest Income (Loss)** of approximately \$(15.0) million
- **Contribution Margin** of approximately 62%
- **Net Income (Loss)** of approximately \$(48) million
- **Adjusted Net Income (Loss)** of approximately \$(14) million
- **Adjusted EBITDA** of approximately \$0 million
- **Basic Weighted-Average Share Count** of approximately 85.6 million shares
- **Diluted Weighted-Average Share Count** of approximately 85.6 million shares

Upstart has not reconciled the forward-looking non-GAAP measures above to comparable forward-looking GAAP measures because of the potential variability and uncertainty of incurring these costs and expenses in the future. Accordingly, a reconciliation is not available without unreasonable effort.

Key Operating Metrics and Non-GAAP Financial Measures

For a description of our key operating measures, please see the section titled “Key Operating Metrics” below.

Reconciliations of non-GAAP financial measures to the most directly comparable financial results as determined in accordance with GAAP are included at the end of this press release following the accompanying financial data. For a description of these non-GAAP financial measures, including the reasons management uses each measure, please see the section titled "About Non-GAAP Financial Measures" below.

Conference Call and Webcast

- **Live Conference Call and Webcast at 1:30 p.m. PT on November 7, 2023.** To access the call in the United States and Canada: +1 888-254-3590, conference code 6982512. To access the call outside of the United States and Canada: +1 313-209-4906, conference code 6982512. A webcast is available at ir.upstart.com.
- **Event Replay.** A webcast of the event will be archived for one year at ir.upstart.com.

About Upstart

Upstart (NASDAQ: UPST) is the leading AI lending marketplace, connecting millions of consumers to 100+ banks and credit unions that leverage Upstart's AI models and cloud applications to deliver superior credit products. With Upstart AI, lenders can approve more borrowers at lower rates across races, ages, and genders, while delivering the exceptional digital-first experience customers demand. More than 80% of borrowers are approved instantly, with zero documentation to upload. Founded in 2012, Upstart's platform includes personal loans, automotive retail and refinance loans, and small-dollar "relief" loans. Upstart is based in San Mateo, California, and Columbus, Ohio.

Forward-Looking Statements

This press release contains forward-looking statements, including but not limited to, statements regarding our outlook for the fourth quarter of 2023. You can identify forward-looking statements by the fact that they do not relate strictly to historical or current facts. These statements may include words such as "anticipate", "estimate", "expect", "project", "plan", "intend", "target", "aim", "believe", "may", "will", "should", "becoming", "look forward", "could", "can have", "likely" and other words and terms of similar meaning in connection with any discussion of the timing or nature of future operating or financial performance or other events. Forward-looking statements give our current expectations and projections relating to our financial condition; macroeconomic factors; plans; objectives; product development; growth opportunities; assumptions; risks; future performance; business; investments; and results of operations, including revenue (including revenue from fees and net interest income (loss)), contribution margin, net income (loss), non-GAAP adjusted net income (loss), adjusted EBITDA, adjusted EBITDA margin, basic weighted-average share count and diluted weighted-average share count. Neither we nor any other person assumes responsibility for the accuracy and completeness of any of these forward-looking statements. The forward-looking statements included in this press release and on the related teleconference call relate only to events as of the date hereof. Upstart undertakes no obligation to update or revise any forward-looking statement as a result of new information, future events or otherwise, except as otherwise required by law.

All forward-looking statements are subject to risks and uncertainties that may cause actual results to differ materially from those that we expected. More information about factors that could affect our results of operations and risks and uncertainties are provided in our public filings with the Securities and Exchange Commission, copies of which may

be obtained by visiting our investor relations website at www.upstart.com or the SEC's website at www.sec.gov. These risks and uncertainties include, but are not limited to, our future growth prospects and financial performance; our ability to manage the adverse effects of macroeconomic conditions and disruptions in the banking sector and credit markets, including inflation and related monetary policy changes, such as increasing interest rates; our ability to access sufficient loan funding, including through securitization, committed capital arrangements, whole loan sales, and warehouse credit facilities; the effectiveness of our credit decisioning models and risk management efforts; our ability to achieve the expected cost savings from our reductions in workforce; geopolitical events; our ability to retain existing, and attract new, lending partners; our ability to improve and expand our platform and products; and our ability to operate successfully in a highly-regulated industry.

Key Operating Metrics

We review a number of operating metrics, including transaction volume, dollars; transaction volume, number of loans; and conversion rate to evaluate our business, measure our performance, identify trends affecting our business, formulate business plans and make strategic decisions.

We define "transaction volume, dollars" as the total principal of loans transacted on our platform between a borrower and the originating lending partner during the period presented. We define "transaction volume, number of loans" as the number of loans facilitated on our platform between a borrower and the originating lending partner during the period presented. We believe these metrics are good proxies for our overall scale and reach as a platform.

We define "conversion rate" as the number of loans transacted in a period divided by the number of rate inquiries received that we estimate to be legitimate, which we record when a borrower requests a loan offer on our platform. We track this metric to understand the impact of improvements to the efficiency of our borrower funnel on our overall growth.

About Non-GAAP Financial Measures

In addition to our results determined in accordance with generally accepted accounting principles in the United States ("GAAP"), we believe the non-GAAP measures of contribution profit, contribution margin, adjusted EBITDA, adjusted EBITDA margin, adjusted net income (loss), and adjusted net income (loss) per share are useful in evaluating our operating performance. Certain of these non-GAAP measures exclude stock-based compensation and certain payroll tax expense, expense on convertible notes, depreciation, amortization, and other non-operating expenses. We exclude stock-based compensation, expense on convertible notes and other non-operating expenses because they are non-cash in nature and are excluded in order to facilitate comparisons to other companies' results.

We believe non-GAAP information is useful in evaluating the operating results, ongoing operations, and for internal planning and forecasting purposes. We also believe that non-GAAP financial measures provide consistency and comparability with past financial performance and assist investors with comparing Upstart to other companies, some

of which use similar non-GAAP financial measures to supplement their GAAP results. However, non-GAAP financial measures are presented for supplemental informational purposes only and should not be considered a substitute for, or superior to, financial information presented in accordance with GAAP and may be different from similarly titled non-GAAP financial measures used by other companies.

Key limitations of our non-GAAP financial measures include:

- Contribution Profit is not a GAAP financial measure of, nor does it imply, profitability. Even if our revenue exceeds variable expenses over time, we may not be able to achieve or maintain profitability, and the relationship of revenue to variable expenses is not necessarily indicative of future performance;
- Contribution Profit does not reflect all of our variable expenses and involves some judgment and discretion around what costs vary directly with loan volume. Other companies that present contribution profit calculate it differently and, therefore, similarly titled measures presented by other companies may not be directly comparable to ours;
- Although depreciation expense is a non-cash charge, the assets being depreciated may have to be replaced in the future, and Adjusted EBITDA does not reflect cash capital expenditure requirements for such replacements or for new capital expenditure requirements;
- Adjusted EBITDA excludes stock-based compensation expense, certain employer payroll taxes on employee stock transactions, and reorganization expenses. Stock-based compensation expense has been, and will continue to be for the foreseeable future, a significant recurring expense for our business and an important part of our compensation strategy. The amount of employer payroll tax-related expense on employee stock transactions is dependent on our stock price and other factors that are beyond our control and which may not correlate to the operation of the business;
- Adjusted EBITDA does not reflect: (1) changes in, or cash requirements for, our working capital needs; (2) interest expense, or the cash requirements necessary to service interest or principal payments on our debt, which reduces cash available to us; or (3) tax payments that may represent a reduction in cash available to us;
- The expenses and other items that we exclude in our calculation of Adjusted EBITDA may differ from the expenses and other items, if any, that other companies may exclude from Adjusted EBITDA when they report their operating results.

Reconciliation tables of the most comparable GAAP financial measures to the non-GAAP financial measures used in this press release are included below.

(1) Borrower acquisition costs were \$46.0 million and \$23.6 million for the three months ended September 30, 2022 and 2023, respectively, and were \$263.1 million and \$62.4 million for the nine months ended September 30, 2022 and 2023, respectively. Borrower acquisition costs consist of our sales and marketing expenses adjusted to exclude costs not directly attributable to attracting a new borrower, such as payroll-related expenses for our business development and marketing teams, as well as other operational, brand awareness and marketing activities. These costs do not include reorganization expenses associated with the January 2023 Plan.

(2) Borrower verification and servicing costs were \$37.3 million and \$29.0 million for the three months ended September 30, 2022 and 2023, respectively, and were \$123.8 million and \$87.5 million for the nine months ended September 30, 2022 and 2023, respectively. Borrower verification and servicing costs consist of payroll and other personnel-related expenses for personnel engaged in loan onboarding, verification and servicing, as well as servicing system costs. It excludes payroll and personnel-related expenses and stock-based compensation for certain members of our customer operations team whose work is not directly attributable to onboarding and servicing loans. These costs do not include reorganization expenses associated with the January 2023 Plan.
